ARMMCA PORTFOLIO

By: NAJIDAH E. ALIASGAR

A WEB PORTAL FOR ARMM CULTURAL ARTIFACTS USING LARAVEL FRAMEWORK

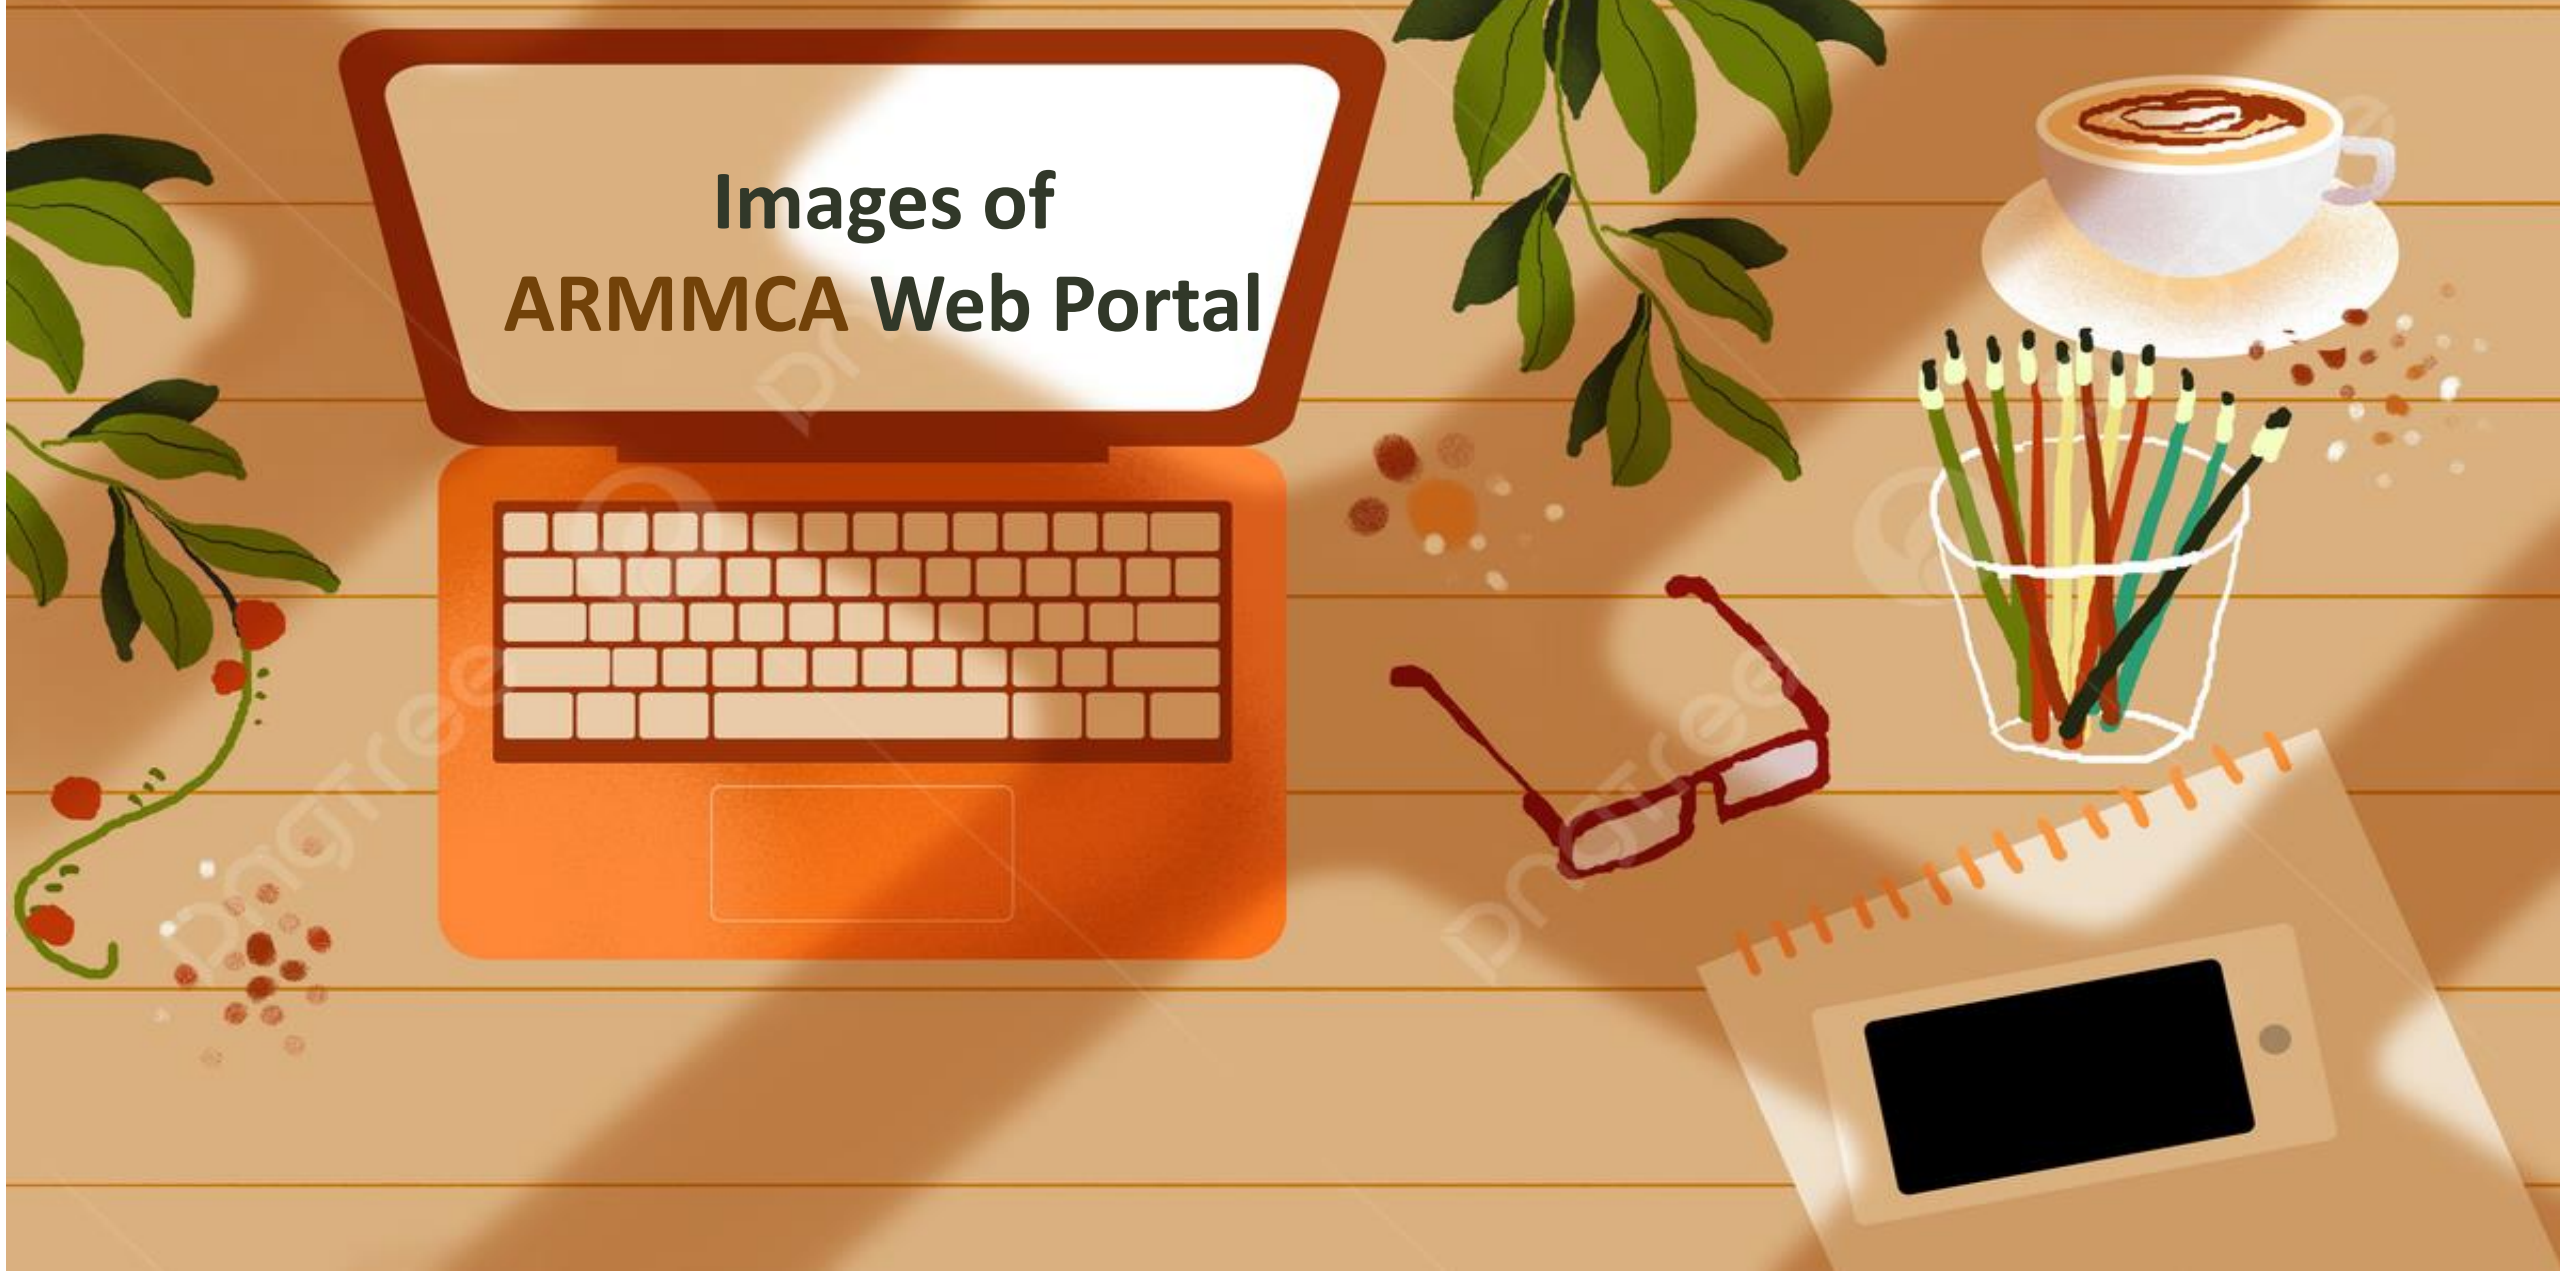

Introduction

ARMMCA is a software project that focused on a web portal.

The ARMMCA was developed to help the Bangsamoro Commission on the Preservation of Culture Heritage also known as (BCPCH-BARMM) to preserve the cultural artifacts of BARMM by using the web portal to store all the gathered data of the BCPCH-BARMM.
